The property ...

The luxurious accommodation at Chalet la Ferme de Juliette is set over three floors. Come in to the large hall and there's a large ski store on your right. The fully-equipped kitchen is in front of you, separated from the living area by a breakfast bar.

The open plan living room has a beautiful vaulted ceiling and the focus of the room is a large central open fire, which can be enjoyed from all sides. On one side is a huge built-in sofa with piles of cushions - the ideal place to relax after an energetic day in the mountains.
